We are pleased to announce that leaders from Turkey's textile, steel, and construction industries, alongside representatives from various associations and public Institutions, will convene at The Marmara Pera Hotel in Istanbul.

- The event, held as part of the [CIRCTHREAD](https://circthread.com/) (Building the Digital Thread for Circular Economy Product, Resource & Service Management) - <https://circthread.com/> Project under the European Union's HORIZON 2020 Program, will be hosted by the project's partners, Ekodenge/ Ecowise. The main concept behind CircThread is to create a Circular Digital Thread— a data federation aimed at enabling smooth information exchange throughout the extended life cycle of products.
- The event will focus on Turkey's transition towards a circular economy and the opportunities and needs for digital transformation, addressing these topics within emerging regulations.

AGENDA

08.45 - 09.15

Registration

09.15 - 09.25

Welcome and Intro for the Day

Emre YÖNTEM / *Ecwise Ekodenge Ltd - Director & CTO*

09.25 - 09.45

Keynote Speech: Konca ÇALKIVİK

Business Council for Sustainable Development, Türkiye (BCSD Türkiye) Executive Director

09.45 - 10.45

Moderator: Dr. Tulay Çağlayan ÖZLÜ

Ekodenge A.Ş. - Director of Circular Economy & Digital Industrial Solutions

Ziynet Berna ORHAN

Republic of Türkiye, Ministry of Industry and Technology / General Directorate of Industry / Head of Textile and Wood Products Department

Gülizar YAVAŞ

Republic of Türkiye, Ministry of Trade Directorate / General for International Agreements and European Union / Head of Department European Single Market and Green Deal

Ece DİNSEL

Republic of Türkiye, Ministry of Environment, Urbanization and Climate Change / Directorate General of Environmental Management / Circular Economy and Waste Management Department / Environment and Urbanization Expert

Presentations: 15 minutes

Opening Discussion and Q&A: 15 minutes

10.45 - 11.10

Coffee Break

11.10 - 12.30

Session 2: Pioneering Textile Innovation – Driving the Digital and Circular Economy Transition with ESPR (Ecodesign for Sustainable Products Regulation) and DPP (Digital Product Passport)

Moderator: Emre YÖNTEM

Ecwise Ekodenge Ltd - Director & CTO

TEXTILE SECTOR

Seda CÜNDÜBEY

ORTAANADOLU Tekstil - Sustainability Chef

Özgür ATSAN / Ebru ÖZKÜÇÜK GÜLER

RE&UP RECYCLING TECHNOLOGIES Directors

Ayşegül KAYA

TYH Tekstil A.Ş. / Innovation and Sustainability Manager

CircThread Platform Solutions & CirPass2 Project Ambition

Emre YÖNTEM

Circular Intelligence Association Announcement

Emre YÖNTEM / Rembrandt KOPPELAAR – 5 minutes

Presentations: 15 minutes

Opening Discussion and Q&A: 15 minutes

This project has received funding from the European Union's H2020 programme under Grant Agreement No. 958448

12.30 - 13.45

Lunch Break

13.45 - 15.00

Session 3: Sectoral Outlook – Building Technologies and Materials

Moderator: Dr. Tulay Çağlayan ÖZLÜ

Ekodenge A.Ş. - Director of Circular Economy & Digital Industrial Solutions

Aygen ERKAL

Türkiye IMSAD, Association of Construction Material Producers Secretary General

STEEL SECTOR

Hasan AKBULUT

Turkish Steel Producers Association (TÇÜD) / Technical Director

CONSTRUCTION SECTOR

Dr. Ercan ARI

Tepe Betopan / R&D Center Manager

Dr. Rembrandt KOPPELAAR

Ecowise / Director of Research and Innovation, Circular Economy Portfolio Lead DPP, CPR, ESPR Regulatory Compliance support services

Presentations: 15 minutes

Opening Discussion and Q&A: 15 minutes

15.00 - 15.30

Coffee Break

15.30 - 15.45

Session 4.1: TÜBİTAK's Pioneering Role in Türkiye Shaping the Future of Circular Economy and Digital Transformation

Çağrı YILDIRIM / Dr. Hale AY

Operation Coordination Unit Director, Scientific and Technological Research Council of Türkiye (TÜBİTAK)

HORIZON EUROPE, Cluster 4, National Contact Point for Industrial Area (TÜBİTAK)

Presentations: 15 minutes

15.45 - 16.05

Session 4.2: Horizon Europe – Circular Economy Flagship Projects

GRETA service for rapid automated Life Cycle Assessment

Loris RODİGARİ

SUPSI University of Applied Sciences and Arts of Southern Switzerland

PRATIS, Digital transformation e-procurement platform

Emre ERGENÇ

SabancıDX.

Presentations: 10 minutes

16.05 - 16.30

Session 4.3: Hubs 4 Circularity, creating regional networks for circular upcycling of materials

A.SPIRE, Hubs4Circularity & the United Circles project

Anibal Renones DOMİNGUEZ

CARTIF Technology Center, Industry 4.0 - Head of Unit

Digital Traceability of Materials for Process Industries

Dr. Rembrandt KOPPELAAR

Ecowise Ekodenge Ltd - Research and Innovation Lead

Türkiye's Construction Sector activities in the European Hubs4Circularity network

Emre YÖNTEM

Ecowise & Ekodenge Ltd - Director & CTO

Presentations: 10 minutes

Opening Discussion and Q&A: 15 minutes

16.30 - 17.00

Closure – Networking

Note: Presentations will be conducted in English or in Turkish simultaneous translation service will be available during the meeting.
